

In response to the epic need, Penn Central Conference churches are responding!
Your September 2017 giving has grown over **1,987%** over September 2016 giving.

THANK YOU!

Thank you for all you are doing to further assist those in need - OGHS gifts, CWS bucket collections, Sunday offerings, children's car washes, benefits and events are just a few of the things going on in our churches. Thank you for your generosity and support.
