Join Us in Donating to Mission Central

Mission Central has assisted people locally, nationally and globally and provided aid in every major weather disaster since 2002. In 2019, they distributed over $7.8 million in resources, reaching over 2.7 million people.

Donations to Mission Central will provide care kits to those in need.
(Many are going out to school students and homeless in need of these resources.)

Thank you for connecting God's resources with human need.
