

Partners in Peace, 2018

Before the foundations of a peaceful world can ever be realized people must meet, talk and build lasting relationships. This is what Partners in Peace has attempted to do since 2013 – establish and build relationships between young adults who can begin a dialogue through which a foundation of Peace can be built.

In recent years two groups of young adults from Penn Central and partner churches in Namibia, Germany and the Dakota Association of the United Church of Christ gathered to talk about Peace – meeting first in Pennsylvania in 2013 and again in 2016 on the Cheyenne River Reservation in South Dakota.

By every measure these two adventures were a success, so much so that many of the participants in these gatherings are still conversing with one another. And because of the success of the first two adventures, another is being planned for two weeks in Germany beginning the 5th of July 2018. Again, young adults from different corners of the world will gather, begin relationships and talk about peace.

If you are a young adult between the age of 18 and 25 and would like to be one of the three participants for the next Partners in Peace adventure, fill out the following information and submit it as soon as possible.

If you have questions, please email solomonsucc@embarqmail.com or call 717.263.3616.

Finally, please pray for the success of this wonderful endeavor! If you would like to donate to Partners in Peace, please send a check to the Conference Office making it out to Penn Central with PIPE in the notification line.
