

Faith Connection Story – Bethel UCC, Spring Grove and Redeemer's UCC, Littlestown

On Saturday, January 6, 2018, 27 volunteers, from ages 12 to 81, from 2 states, 3 different UCC conferences, and 4 different UCC churches, Bethel, Spring Grove, Redeemer's, Littlestown, St. Mary's, Silver Run, MD, and St. Paul's, Fleetwood, PA, came together to repaint the beautiful wooden trim work at the Hanover Day Nursery on 304 Broadway St in Hanover PA. The Hanover Day Nursery is a not-for-profit Day Care that has been offering child care services to the Hanover Community for over 80 years. The volunteers renewed their strength with a tasty lunch of Chili and Cream of Chicken Soup. A smaller group of volunteers returned on Saturday, January 13, 2018, to complete the painting project. The trim repainting project covered a total of 10 different rooms on two floors of the home which was built at the turn of the 20th Century. The volunteers enjoyed working together and the staff at the Hanover Day Nursery deeply appreciated all their hard work.
