

Faith Connection Story – Quentin UCC

The Quentin congregation followed the book The Sparkle Box where good deeds are done, written on paper and then placed in the box. After reading what was written in the box, everyone got to celebrate the joy of these good deeds.

This worked so well, they added a donation box as well to collect yarn for their Prayer Shawl Ministry, food items for JOY Food Pantry and clothing for Jubilee Ministries. They were able to donate to Children of Compassion, Local Fire Company and Lebanon County Christian Ministries
