

FIRST REFORMED UNITED CHURCH OF CHRIST, LANCASTER

The pictures in the small white room are from our community meal on Saturday morning, Christmas Eve, decorated for our guests for the holiday. For the year 2016, we have served over 16,000 meals at this location.

The remaining images are from our National *Multiple Sclerosis Society Fundraising Concert* featuring QuintEssentially Brass. There was a reception downstairs. The concert raised over \$3,600 on December 23rd.
