PATHWAYS
THEOLOGICAL EDUCATION

We celebrate having had the opportunity to meet a number of our UCC conference ministers, staff, delegates, COM members and clergy while we were at the recent General Synod meeting. If we didn't get to see you personally, we hope we have an opportunity to do so in the future.

It's time for us to alert you to PATHWAYS' Fall Schedule of Courses, especially the Fall II courses that begin in October. Fall I begins in mid-to-late August and people can still sign up any time during the first week of class. Fall II courses will begin in October. Now is the time to try one of our courses and to invite friends and colleagues to sign up for the Fall courses.

PATHWAYS Theological Education, Inc. is a 501c3 program that grew from a program of the Southeast Conference UCC. It remains affiliated with the Southeast Conference. The program offers a full menu of courses for those seeking authorized ministry, for those wanting continuing education, and for those looking for progressive theology courses in theology, ethics, praxis and more. The courses are asynchronous, geographically unbound, affordable, and aligned with the UCC Marks of Faithful and Effective Authorized Ministers. The learners cannot hide in these online classes! The course requires people to answer the weekly questions as a blog post to which the other learners respond. This asynchronous approach builds community among the learners and with the facilitator. Please be in touch with any questions. Individuals may apply online at pathwaystheological.org.
