**The Lebanon Valley Home**, a continuing care retirement community affiliated with United Church of Christ Homes, is seeking a compassionate and resident focused team member for the position of **Chaplain**. This position is **Part Time** (15 hours per week).

The primary duty of the Chaplain is to provide spiritual support and comfort for the residents of the facility in coordination with the resident's home congregation.

The chaplain will communicate a caring friendship with a tolerant attitude for multiple cultural traditions and a wide range of spiritual beliefs. The chaplain will offer encouragement and support to clergy and churches as they continue to minister to the needs of their members.

The chaplain will be available to offer comfort to the individual as well as the family. During difficult times, sensitivity and compassion are requisite for the spiritual support needed by all involved; the resident, family, and staff.

Providing comfort for the dying is a key part of the Chaplain's job as well as coordinating and conducting regularly scheduled religious services for residents.

**Requirements** – Must be an ordained minister of the United Church of Christ with a minimum of one year experience in a pastoral ministry as well as one unit Clinical Pastoral Education. A resume and letter of interest should be received by March 24, 2021. Applications/Resume may be submitted to:
