

# ONE MORE CAMPER CAMPAIGN

Santa was so HELPFUL in raising funds for the new swimming pool last Christmas season. The gift certificates were great.

**BUT NOW THERE IS A MUCH MORE URGENT NEED FOR HARTMAN CENTER!**

As of June 3<sup>rd</sup> we have 207 campers registered for summer programs. We need more than 300 (ideally 350) campers for the summer program to operate in the BLACK. **Santa loves RED but not when it is red figures in budgets.**

So here's the plan:

**Can your church provide a CHRISTMAS IN JUNE OR JULY for a child/youth in your church or in your community. If every PCC congregation could send just ONE MORE CAMPER that would make a world of difference to Hartman Center BUT EVEN MORE to those children/youth that get to experience the blessings of a week at summer camp.** The best way to experience camp for the first time is to come with a friend, or a parent, or grandparent. Intergenerational camps are offered each week.

People often say... "there are just so many options for kids...all kinds of camps, specialty camps etc....you know the story. **WE WANT YOU TO REACH OUT** to some families whose children may not have so many options. How about single parent families? How about families where a parent has lost a job? We have **INVESTED** so much in Hartman Center but let's not forget that **STILL, the most important INVESTMENT we can make is sending our children/youth to experience God in a really great place...the Sonshine place.**

Go to the Hartman Center Website ([www.hartmancenter.com](http://www.hartmancenter.com)) to see what camps are available and to read the descriptions for the camps. Then register on-line for one of the camps. **Help us bring CHRISTMAS IN JUNE AND JULY to someone in your church or fellowship...and provide that scholarship for ONE MORE CAMPER.** Any questions can be directed to Rev. Patty Dodds at [program@hartmancenter.com](mailto:program@hartmancenter.com) or Rev. Dave Bushnell at [abushnell@aol.com](mailto:abushnell@aol.com)

**CHRISTMAS CAN COME IN JUNE AND JULY! Let's make it happen together! PS. Sometimes SANTA needs help to make special things happen! Will you help?**
