

VOLUNTEER TO HELP WORKING FAMILIES

Help provide free tax preparation to low- and moderate-income families through United Way of the Capital Region's Money in Your Pocket (MIYP) Campaign. You'll help ensure working families in our community claim all available tax credits while saving them the cost of high tax preparation fees and refund anticipation loan interest rates.

- **No previous experience necessary** - returns are prepared with easy-to-use computer software.
- **Learn a valuable skill** - volunteers receive IRS tax training and certification, which can help volunteers in both their personal and professional lives.
- **Make a big impact** - you can help a family receive thousands of dollars in Earned Income Credits and Child Tax Credits, which are the nation's largest anti-poverty programs.
- **Flexible enough for any schedule** - volunteer days, nights or weekends at one of 15 tax prep sites within our footprint of Cumberland, Dauphin and Perry counties. Most volunteers work one day a week during tax season (late January through mid-April).
- **Other ways to volunteer** - you can also serve as a greeter, screener, local tax preparer or translator at one of our tax sites. Some positions do not require any tax preparing.
