

The Nativity of the Virgin Mary

Greek Orthodox Sunday Church School

Registration form 2026-2027 School Year

Sunday Church School Starts September 13

The Nativity of the Virgin Mary Sunday Church School SCS serves students from preschool (age 3 by September 30, 2026) through high school. Registration is \$30.00 for the first child and \$25.00 for each additional child. Children are expected in church at the start of Divine Liturgy so we can sit together in the front four rows of the pews on the left side (as you enter) of the church. All students begin classes in the Educational Center immediately following Holy Communion for a 30-40 minute class while Liturgy is ending and coffee hour is starting. Parents are expected to remain on the church grounds until they receive their students back after class. Please let us know which children will be attending Sunday Church School in the table below so that we can buy/order the appropriate amount of school supplies, and books as well as plan for periodic events such as the Nativity Pageant and Good Friday Retreat. Please complete the form as early as possible, but if you are behind in registering your student, we still need the information below in order to best administer our Church School.
