For immediate release:

Opportunity: Ace Tennis Teams Summer Training Locations

High-performance players looking to experience competitive training preparation this summer will have the opportunity to join Ace Teams for July and August.

The high-performance training camps are designed using the Ace System, which provides the proper volume of tactical training in a competitive environment while respecting pre-competitive principles, created by some of Canada's top coaches. The two-a-day on-court sessions are complemented by physical activity to maintain the player's fitness level during the competitive season. Douglas Burke, CEO of Ace Tennis and former ATP player, announced today the summer venues where the nationally recognized, high-performance development school will offer training in July and August.

The year-round Ace Tennis Academy at Toronto Tennis City (TTC) in Davisville will offer the full range of high-performance team programs: the National Team, the Provincial Team, the Futures Team and the Champions Team under the direction of new TTC Tennis Director Adam Dykes and his team of certified coaches.

The Ace Tennis Academy at Cedar Springs, Burlington, will operate in three locations to provide proper outdoor training. The National Team will be offered on the six courts at the Burlington Tennis Club, under the direction of Coach 4, Mike Hall and his team of coaches. Brandon Alguire, Coach 3, and Course Conductor for Tennis Canada, will lead the Provincial Team at the Milton Tennis Club. Finally, Walker Lamarche, Coach 2, will head the Futures and Champions Teams for players 8-12 years old at the All Canadian Tennis Centre located at the beautiful Strathallan College campus in Hamilton. Players attending the Hamilton Camp will have the opportunity to utilize supervised group transportation to and from Cedar Springs in Burlington and Hillfield Strathallan College in Hamilton.

Ace Tennis also offers "Learn to Play" and "Learn to Compete" camps at Burlington Tennis Club, All Canadian Tennis Centre in Hamilton, Milton Tennis Club, Mimico Tennis Club, Lynwood Tennis Club in Mississauga, Bridlewood Tennis Club in Scarborough and the Port Hope Tennis Club in Port Hope.

High Performance Team Training - Toronto Tennis City

U10 High Performance - ACTC at Hillfield Strathallan College
