

Cedar Springs Club, in conjunction with ACE Tennis, hosted the ACE \$10,000 ACE Circuit Canada Indoor Open Championships December 18th-23rd.

The OPEN competition saw many ACE alumni players come back to the club and participate in the competition. Cedar member Alexandra Mikhailuk [whom you can see around the club at all hours] and ACE alumni and assistant coach Martin Beran were finalists in the singles categories; and men's doubles champions were Luke Smrek and Roy Stepanov (both ACE Alumni and now on scholarships to Marquette and Lamare university respectively.) Alex and Oleksandra Gorchanyuk were women's doubles finalists, so there were certainly some proud moments and great competition to be had. In addition, some of our players had stellar performances at the Veneto Open December 27th - 31st; Alex took the singles championship title and men's doubles champions were Malik Bhatnagar & Sam Philp (both ACE Alumni). The club and ACE also hosted the 2018 ACE Super Series U10- U16 (4 Star) & U18 (3.5 Star) Dec 26th-31st with over 300 entries in the various categories.
