

COLLECTION SYSTEMS TECHNICIAN

The Ocean Reef Community Association (ORCA), located in North Key Largo, FL, has a Full-Time position available for a Collection Systems Technician who will report directly to the Plant Superintendent of North Key Largo Utility Corporation (NKLUC). The Collection Systems Technician is responsible for performing technical and maintenance work on the community wastewater collection system.

High school diploma or equivalent is required. Experience in the maintenance and operations of wastewater collection systems is preferred, but not required. In addition, experience with vacuum collection systems is a plus. A valid Florida Driver License is required.

ORCA offers a very generous benefits package, including paid time off, insurance, and a retirement plan. For consideration, please apply online at orcareef.com and send your resume to:
