

Worcester Family Network Social for Parents of Transition Age Youth Invites You To **Have You Heard About the “TEST”?** **Translating Evidence to Support Transition**

PPAL welcomes Laura Golden, Research Project Director from The Transition to Adulthood Center for Research at UMass.

This presentation will give you information around:

- * Transition planning for high school students with mental health conditions
- * Best practices that will help to build stronger post secondary outcomes for your youth
- * Tips, strategies and resources

We hope you can attend this very informative and exciting learning session.
