

Virtual HYPE Course: Content Outline

The information below describes the Virtual HYPE Course, being offered in Spring and Summer 2020. See p. 2 for the Course Schedule.

- **Description:** Helping Youth on the Path to Employment (HYPE) offers career-oriented classes, online, to help young adults with mental health conditions in:
 - Finding out what you want to do
 - Prep for getting a job
 - Prep for enrolling in or succeeding in school
 - Getting organized for school and work
- **3 Courses:**
 - Career Decision-Making (6 weeks)
 - HYPE Work Prep (7 weeks)
 - HYPE School Prep (6 weeks)
- **Eligibility:** Young adults (18-30) with lived experience of a mental health condition who are interested in pursuing school and work goals are invited to participate!
- **When:** Courses will be offered throughout the Spring and Summer of 2020, at different days and times. See our Course Schedule (next page) for more about dates and times!
- **Location:** Young adults participate from the comfort of their own homes. They will have the opportunity to meet other young adults from around the state via video chat during course sessions.
- **Additional Support:** Each participant will have the opportunity to participate in a 1-hour individual session with course instructors during the course.
- **Registration:** To register for one or all of the HYPE Virtual Courses for Spring and Summer 2020, register online or contact us! Courses are limited to 12 participants per session, so sign up early.
