Supporting our Military Veterans

**Benefits of Attending:**

- To know the current and planned activities in and around South Scottsdale that will impact both residential and commercial property values and commercial business
- To provide the information necessary for all property and business owners, developers and investors to make the most informed decisions
- For all Real Estate Agents to have the most accurate and up-to-date knowledge to best serve their clients and the Valley's growth

**SPEAKERS**

**Scottsdale Mayor W.J. "Jim" Lane – Opening Remarks - Welcome to SkySong**

**Danielle Casey, Director of Economic Development, City of Scottsdale**

**Rob Millar, Economic Development Manager – Business Attraction, City of Scottsdale**

The Scottsdale Economic Development Team consists of multiple organizations with many dedicated individuals who are instrumental in attracting retail, tourism, entertainment and business opportunities with strong wage JOBS. The Team also interacts with SRP-MIC and SkySong to enhance the dynamic growth of southern Scottsdale.

**Aaron Studebaker, Salt River Pima - Maricopa Indian Community**

How to work with SRP-MIC plus what's happening in the Talking Stick Entertainment District with a focus on the past, present and projected strong growth of their hospitality, retail, office and entertainment projects.

**Todd Hardy, Managing Director, Innovation Zones, ASU - SkySong**

The goal of SkySong's 42 acre mixed use facility is to attract and help grow cutting-edge, innovative companies from around the world. Upon buildout, SkySong will have more than 1.2 million sf of office space. There are already 60 companies with more than 2,000 employees working at SkySong.

**Colette Moore, Senior Water Planning Analyst, SRP**

The common misperception is that the Valley will soon run short of water. This is ABSOLUTELY INCORRECT. Out-of-state individuals and/or companies considering relocating to the Valley need to know the facts.
