# Pleasanton Unified School District Career Technical Education Stakeholder Engagement Forums

The purpose of these meetings is to convene all stakeholders and obtain input on the current state of CTE within the district as we seek to assemble our Comprehensive Local Needs Assessment (CLNA), formerly known as our CTE district plan. The CLNA is a major component of the annual application we must submit for federal funding (Perkins Grant) to operate our CTE programs.

We are holding virtual meetings at all PUSD high schools, and we are inviting everyone to log in and help us develop our CLNA.

## Everyone is Welcome:

- CTE Parents and students
- CTE teachers, career guidance and academic counselors, administrators and other school leaders, specialized instructional support personnel and para professionals
- Representatives of special populations (i.e. Individuals with disabilities, economically disadvantaged, English Learners, etc.)
- Other interested persons

## Stakeholder Engagement Forum Meeting Information:
