

## How to Create and Access a Parent Portal to View Elementary Report Cards in Illuminate

Log into PUSD's Illuminate Parent Connection at this link:

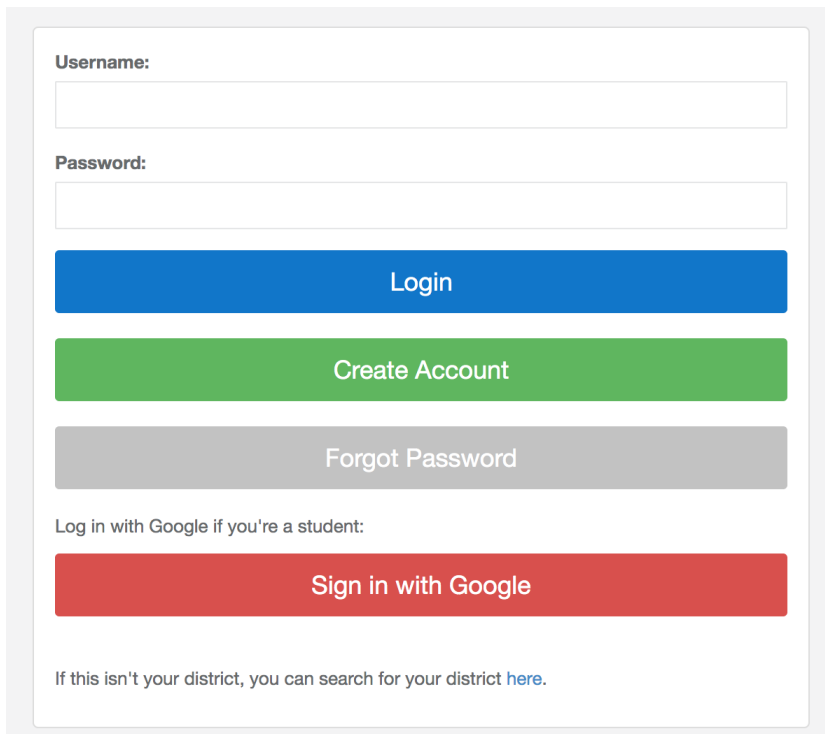

<https://pleasanton.illuminatehc.com/login>

**LOGIN:** If you have already created an account during the Fall, you can log into the Illuminate Home Connection with the user name (your email address) and the password you created, or you can click on **FORGOT PASSWORD** if necessary.

**CREATE ACCOUNT:** If you need to create an account, first email Assessment and Accountability Assistant Laura Keller, [lkeller@pleasantonusd.net](mailto:lkeller@pleasantonusd.net), to get an access code. Include your first and last name and the first and last name of your elementary student(s), and she will send a personal access code. The access code is needed only once when you first register for the portal.

### **SIGN IN WITH GOOGLE:**

Students can also log into their Student Portals from this screen as well, by simply clicking on "Sign in with Google" while they are already logged into their PUSD Google accounts, or can link to this from Clever.

The image shows a login page for the Illuminate Parent Connection. It features a white background with a light gray border. At the top, there are two input fields: "Username:" and "Password:". Below these fields are three buttons: a blue "Login" button, a green "Create Account" button, and a gray "Forgot Password" button. Underneath the buttons, there is a link that says "Log in with Google if you're a student:". Below this link is a red button that says "Sign in with Google". At the bottom of the page, there is a small text link that says "If this isn't your district, you can search for your district here.".

Please contact Laura Keller ([lkeller@pleasantonusd.net](mailto:lkeller@pleasantonusd.net)) in the Assessment Department with any questions, thank you!
