CEO Greetings

Springtime in Atlantic Canada—is there any better feeling than this time of year? For many, it signals renewal, new growth and re-energization as we leave the winter months behind. In this spirit, I would like to take moment to thank the staff, boards and countless volunteers within our network of 93 chambers and boards of trade. You are a constant source of inspiration and we are grateful for members like you, who make our work truly rewarding.

We have 93 chambers and boards of trade within our network, which when numerically stated we intuitively know that it's a lot. We are a huge network in Atlantic Canada. But when you map our presence out visually – WOW!

We recently created a map of all our locations throughout Atlantic Canada and were amazed at the sheer depth and breadth of our network and presence. I continue to tell people that our Chambers are the vital thread to the economic fabric in our local communities in Atlantic Canada—our fabric is strong, resilient, and cloaks our region in ongoing support for the businesses in each community.

Watch for our upcoming promotions celebrating our network, encouraging businesses to join their local chamber or board of trade, and be sure to share. Together, we can help all the chambers and boards of trade in our network grow, learn, share and support business in a way no other associations can.

Lets spring into action and help business **#maketheconnection**.
