

Time to 'Rock' Our AGM

It's that time of year again, our Annual General Meeting & PD Day is right around the corner. This year we are pleased to be hosting it on the Rock from scenic St. John's, NL!

Our event is shaping up to be exciting days of learning and inspiration with author and speaker Doug Griffiths joining us for a compelling PD session on community building, change and collaboration and how chambers, as key to those, can influence growth and prosperity locally. Doug comes highly recommended from our Chamber peers across the country—so its sure to be an insightful day.

Our roster of 2019 speakers include guests the Johnston Group, the Canadian Chamber, Atlantic Immigration Pilot and Connector NL, CN, and more.

This year we will be introducing the new Atlantic Exchange, formerly known as the Bear Pit, the Atlantic Exchange will highlight the best practices of three of our members and then open up the floor for a broad exchange of best practices and knowledge from your colleagues from across Atlantic Canada.

But of course, we don't want to be all work and no play, so we'll be Breaking the Ice with a little pre-meeting fun, during an exclusive Iceberg tour in the harbour! #DontRockTheBoat

We hope you can join us!
