## #InTheirWords

### A Chamber Feature Moment

ACC recently launched a survey to our member chamber executives (staff and/or board chair) asking them to highlight unique aspects of their Chamber, events, or of members that the general business community may not be aware. ACC is creating unique ad profiles that it will then promote to the Atlantic Canadian business community. We will also showcase one of these unique profiles here in every CEO newsletter to enhance our own awareness of what our Chamber peers are doing (which is a lot!).

Thank you to our first survey respondent, the Fredericton Chamber. Here's their feature moment #intheirwords.

Have you sent along your Chamber moment you would like to see promoted throughout Atlantic Canada? Not quite sure what to feature? Contact [Sheri](#) or [Patti](#), we'd be happy to help you.
