ReferenceUSA Seminar

with Bill Loges from Infogroup

Bill Loges will be demonstrating the various uses of the highly useful RefUSA database. This reference tool that you can access from home through your Hunterdon County library card provides a full service platform for business and consumer research. It provides information to help you find business opportunities, research companies, locate addresses and more. Millions of businesses can be searched by company name, executive title, business type, sales volume, etc. One can also search jobs, internships, and physicians and dentists.
