

An introduction to **Adobe Photoshop**

with Photographer Deborah Gichan

Deborah Gichan will be presenting a 2-hour workshop to cover basic composite photo skills using Photoshop. The class will cover the following: Basic skills to include making, transforming and duplicating selections. Copying and pasting in objects and backgrounds. You will learn how to add movement to images in fabric and hair. Shadows and reflections will add believability to the composite. Using masks to reveal, conceal and to create levitations. You will finish images with texture overlays with blending modes. Deborah is a New Jersey based photographer specializing in portraits, weddings, events and performance. Her work will be on display at NCB in July.
