MINISTRY PRIORITIES

CHURCH DEVELOPMENT
The Nehemiah Nexus exists to engage churches and pastors in a life-giving developmental process that addresses their unique strengths and needs to improve their spiritual vitality, relational priority, and ministry fruitfulness.

CONFERENCE CARE
Our team encourages member pastors through the development of pastoral communities. Regional Pastors resource member pastors and churches and provide special care in times of transition and change. We provide restorative care to churches and pastors in periods of conflict and difficulty.

CHURCH MULTIPLICATION
The Nineveh Network is a team of CCCC pastors and leaders working to start healthy, disciple-making churches across the nation. Our planters are connected through this Network that recruits, assesses, trains and coaches church planters.
