LEGISLATIVE COUNSEL'S DIGEST

AB 2595, as amended, Reyes. Homeless Youth Act of 2018.

Existing law requires the Homeless Coordinating and Financing Council to set and measure progress toward goals to prevent and end homelessness among youth in California by setting specific, measurable goals aimed at preventing and ending homelessness among youth in the state and defining outcome measures and gathering data related to the goals.

This bill would ~~make technical, nonsubstantive changes to those provisions:~~ require state entities that administer state programs that address housing or homelessness and that are created on or after January 1, 2021, to collaborate with the council to adopt guidelines and regulations to ensure at least 20% of program funds are set aside to serve homeless youth.
