2025 was a record-setting year for PBPO, as we grew to serve over 450 local nonprofits!

Join us as we **celebrate the incredible attorney volunteers and donors** who helped make this possible.

We will present our annual individual, corporate, and law firm awards, recognize the 2025 class of inductees into the PBPO Hall of Fame, and celebrate our collective impact.

We expect our audience to include more than **100 community and business leaders** representing companies, law firms, and nonprofits.

Sponsorship proceeds help ensure nonprofits can access the legal services and education they need to keep their organizations strong and impactful.
