Project Architect

Hiti, DiFrancesco and Siebold, an established architecture and interior design firm located in Ohio City is seeking a registered architect with at least five (5) years' experience working as a project architect on institutional, commercial or multi-family residential projects. Candidates considered must be licensed in Ohio, with specific experience in design, preparation of construction documents, construction administration and project design team management. Candidates shall demonstrate good communication skills, a desire to learn, CAD-proficiency, self-motivation and be team oriented. The successful candidate will have a significant role in a variety of senior living, multi-family and commercial projects and will work in a relaxed and supportive atmosphere. The benefits provided are excellent and salary will be commensurate with the candidate's capabilities and experience.
