

Lake Erie Council in partnership with the
American Institute of Architects Cleveland Presents

EXPLORING ARCHITECTURE

A Virtual Career Exploration Session

Do you enjoy drawing? Are you curious about how buildings are planned and created? Interested in a career in architecture?

Join us for a virtual and interactive information session about careers in architecture and the AIA Exploring Program, a youth program that provides young adults an in-depth, hands-on look into the career field!

Connect to the program livestream on Facebook!
