

DLR Group | Westlake Reed Leskosky

PROJECT MANAGER

Contact: Patrick Hyland | phyland@dlrgroup.com | (216) 623-7881

DLR Group is looking for talented and driven project managers to join and support our award-winning, legacy Cleveland design studio. Our Cleveland studio works extensively in the Cultural + Performing Arts, Healthcare, Workplace, and Higher Education regionally, nationally, and internationally. Our clients include nationally recognized arts and cultural institutions, leading healthcare systems, flagship public universities, iconic private colleges, Fortune 500 corporations, and the anchoring institutions of our community fabric, including schools, congregations, and non-profits.

Required Qualifications:

- 10+ years of experience
- Bachelor of Architecture from an accredited program
- An understanding of technical knowledge in architectural drafting and design.
- Must be a strong communicator, collaborative, detail oriented and organized.
- Be proficient in the use of production software such as Revit and AutoCAD.
- Experience with complex, institutional projects and clients
- Experience managing internal design teams and external consultants
- Architectural Licensure in Ohio and surrounding states

Preferred Qualifications:

- Master of Architecture from an accredited program

DLR Group is a 100% employee-owned firm.
