Featured Speaker

Robert P. Madison

Via Zoom Conference
July 9, 2020
12 noon – 1:00 p.m.

Non-Rotary Members please RSVP to
rotarycleveland@gmail.com or
216-556-8637, the Zoom link will be
Sent out prior to the meeting

In 1954, Robert founded Robert P. Madison International Inc. (RPMI), in Cleveland after serving in WWII as a Buffalo Soldier where he received a Purple Heart. Being the first African American Architect to be registered in the state of Ohio is just one example of many barriers that Robert broke through his 97 years. RPMI has designed over 300 buildings and is currently the largest African American female owned architecture firm in the State of Ohio.
