

DLR Group | Westlake Reed Leskosky

PROJECT DESIGNER

Contact: Patrick Hyland | phyland@dlrgroup.com | (216) 623-7881

DLR Group is looking for talented, Project Designers to join our award-winning Cleveland design studio. We are an international, integrated design firm working extensively in Cultural + Performing Arts, Healthcare, Workplace, and Higher Education. Our clients include nationally recognized arts and cultural institutions, leading healthcare systems, flagship public universities, iconic private colleges, and Fortune 500 companies.

DLR Group values and rewards creative, innovative thinking. As a dynamic, collaborative design firm, you will have the opportunity to work with other nationally recognized professionals across the globe. A successful candidate will be willing to take risks to promote and advance design ideas while maintaining a high level of accountability for project requirements and deadlines.

DLR Group is 100% employee owned. You will enjoy the opportunity to have ownership in the Firm and a clear path to personal and professional advancement. Join our culture where your unique design voice has a place to thrive.

Required Qualifications:

- Bachelor of Architecture from an accredited program.
- A basic understanding of technical knowledge in architectural drafting and design.
- A strong communicator, collaborative, detail oriented and organized.
- Proficient in the use of production and design software such as Revit, Rhino, 3DS Max, and Adobe CC.
- Proficient in model making, including 3D-printing, laser cutting, traditional methods and other emerging technologies, software + equipment.

Preferred Qualifications:

- Master of Architecture from an accredited program

DLR Group is a 100% employee-owned firm.
