

SISTER BAY Fall Fest 2026 GUIDE

For 80 years, people have celebrated the end of summer at Sister Bay’s Fall Fest. What started in the mid-’40s as a local celebration marking the end of the busy tourism season has grown into a beloved tradition. Somewhere along the way, word got out—and it seems everyone wanted in on the fun.

Behind the crowds, food, and music are the people who make Sister Bay such a special place to live and visit.

On behalf of the Sister Bay Advancement Association, thank you to our local businesses, nonprofits, volunteers, Visitor Center staff, Parks Team, Fire Department, first responders, and the Village of Sister Bay for making Fall Fest possible—and for making Sister Bay the special place we’re proud to call home.

Happy Fall Fest,
The Sister Bay Advancement Association
