

Partnership with Aquinas Grammar School

Since 2014, MCC students have greatly benefited from our unique partnership with Aquinas Diocesan Grammar School in Belfast, Ireland. This study abroad program gave our students the opportunity to learn first-hand about Irish history and experience their rich culture. In addition, they learned how to be gracious hosts to the Aquinas students by showing them all Central Florida has to offer and teaching them about our American traditions. The President of Aquinas Grammar School regrettably informed us that it was a difficult decision, but they must withdraw from the exchange program.

We are grateful for this partnership and our friends at Aquinas Diocesan Grammar School. Although this experience is no longer available, we are proud to continue to offer mission trips to St. Croix and the Dominican Republic and travel in conjunction with EF Tours.

Many Blessings to our Irish Friends and one day may we meet again....

May the road rise to meet you
May the wind be always at your back
May the sunshine warm upon your face.
And rains fall soft upon your fields.
And until we meet again,
May God hold you in
the hollow of his hands.
