

## **Message from Fr. Karl**

I want to take this time from my immersion studies here at the Maryknoll Institute in Cochabamba to express my sincere gratitude to each and everyone of you for my time at MCC. It was wonderful to have had the opportunity to say a public 'Thank You' at the Mass celebrated on January 8th.

We are often referred to as 'a pilgrim people' on this journey of life. All heading in different but the same direction, eternal life! All our paths are all different but by His grace our paths have crossed and in the crossing my life has been enriched, blessed and changed forever. Muchas gracias!

This Irishman now in Bolivia experiencing a new culture through immersion! Who would have ever thought this ten years ago?

I am so grateful for all that has been and excited to see how the next chapter of my life unfolds.

Thank you for being on this pilgrim journey of life together, so until our paths cross again remember God loves us continually and allow ourselves to be open to Him Love.

United in prayer.  
His Peace.  
Bendiciones.

Fr Karl
