

The 2018-2019 school year will bring about a few changes to both our daily and mass school uniform.

The white and green 60% cotton/40% polyester polo for both the male and female students has been discontinued and will no longer be an option.

Both male and female versions of these shirts have been discontinued for the 2018-2019 school year.

Shirts with the old MCC school crest will not be allowed for the 2018-2019 school year.

The green 100% micro polyester moisture management polo shirt with the white piping will be retained for the 2018-2019 school year. This shirt **MUST** be tucked in.

We have made available a tailored green polo shirt that is designed to be worn untucked.

The mass uniform must include the school tie. In addition to the traditional mass uniform, there is another option for the male students to wear – a white short-sleeve button down camp style shirt with the school crest on it.
