

Delray Beach's First Friday Art Walks
Sign up now for March 6th!

We have several new opportunities for participating in Delray Beach's First Friday of the Month Art Walks. These are in addition to the Sub Culture Coffee House which is another excellent venue that allows us to exhibit.

These opportunities are free for Delray Art League members. You only have to pay \$30 for Delray Art League's outdoor insurance if you have not already paid it. Please contact [Linda Greenwald](#) (561 - 638 - 7667) if you need to pay the insurance. You can [download the form on our website](#) .

The next First Friday Art Walk event is March 6th. We are allowed to participate every first Friday, all year long. We can exhibit artwork on an easel, and also paint on site (at outside locations). It would be a good idea to attach a light to your easel to highlight your artwork.

We are allowed to exhibit at the following new outdoor locations from 5 PM to 9 PM. You don't have to stay the entire time. The new outdoor locations are:

1. 2nd Ave by the Old School Square Park between Atlantic Ave and the garage (site of the Green Market) Up to 6 artists can exhibit at this location.
2. Up to three artists can exhibit on the pavement in Worthing Park, in front of Park Tavern.
3. 5 artists can exhibit in front of Cornell Museum, on the path leading to the museum (don't block the sidewalk on Atlantic Avenue)

We are not allowed to sell on the sidewalk. You would have to make another arrangement. You can give potential customers your card. (As well as DAL advertising cards) You can have them come to your home or meet somewhere else to complete a sale.

Another opportunity is at the Capital One Cafe In downtown Delray from 6:00 p.m. to 8:00 p.m. This would be inside the coffee house so you would not need lights attached to your easel. Up to 7 artists are allowed to exhibit artwork on an easel at the Capital One Coffee House. You would not paint there.

Please **call June Knopf at 973 216 7993** if you are interested or would like more information. We will be starting a list for March 6th, and the locations will be assigned in order in which you sign up. We will also rotate locations.

This is an excellent opportunity all members, those who already exhibit outside and those who are seeking a simple way to begin exhibiting. Please call right away, and take advantage!
