PRESENTING ARTIST.....ADRIENNE WALKER

“SYMPHONY IN COLOR” November 17, 2018 to January 11, 2019

I have been passionate about art my entire life.

Using Oils, Watercolor and Acrylics or Stone, as an artist I enjoy creating worlds in many dimensions. My work is created with passion from within, allowing brushstrokes to invite the viewer into my art.

Experimenting with the flow of mixing watercolor, acrylic and or gouache creates stories in my mind's eye. The challenge of keeping the transparency of watercolor while putting it down next to gouache or acrylic paints adds strength to my art.

I love the challenge of trying something new and creating different emotions in my work. Adrienne is President of Palm Beach Watercolor Society
