Our mission lives in the soul of everyone at YWCA, because we demand a world of equity and human decency.

In communities big and small, YWCAs turn on the lights and open the doors to answer the cry for justice. We dismantle systemic racism in more than 1,300 communities nationwide. At YWCA USA, we are committed to a world of justice. Every day, we get up and do the work. But we can't do it alone.

Join us April 23 – 26th as we launch our annual Stand Against Racism campaign. With your support, we will get up and do the work until injustice is rooted out, until institutions are transformed, until the world sees women, girls, and people of color the way we do: Equal. Powerful. Unstoppable.
