

Eric Doeh serves as Michigan Market CEO and Plan President at Humana, where he leads the company's strategic operations across the state and champions innovative, integrated care models—including Humana's MI Coordinated Care Plan, a highly integrated dual-eligible Medicare-Medicaid (HIDE-SNP) offering designed to simplify access and improve health outcomes for vulnerable populations

In this role, Doeh drives Humana's expansion and strategic positioning in Michigan's healthcare landscape, including efforts to secure key government contracts and participate in forward-looking policy initiatives. He has also been named a board member for Gesher Human Services—acknowledging his deep community engagement and leadership presence.

Previously, Doeh served as President & CEO of the Detroit Wayne Integrated Health Network (DWIHN), where he guided operations for Michigan's largest integrated behavioral health system, serving tens of thousands annually. Earlier in his career, he held significant prosecutorial roles, including Deputy Chief Assistant U.S. Attorney, Wayne County Assistant Prosecuting Attorney, and Assistant Attorney General in Washington, D.C.

Eric Doeh brings to Humana a passion for transforming how healthcare is delivered through integrated models and community partnerships, a strong track record in system leadership, and deep-rooted experience in both healthcare and the justice system.
