

Leslie Meyer

*Senior Director of Healthier Communities
Corewell Health East*

Leslie Meyer is the senior director of Healthier Communities for the East region of Corewell Health. She provides thought leadership for the development, casting and execution of a health equity vision and agenda for community health, while providing operational leadership for community partnerships, strategic direction and operational oversight for all community health programs.

She joined legacy Beaumont Health in 2021 as vice president, Patient Family Experience and previously served the ProMedica Health Care organization in leading patient experience efforts. Leslie also practiced in Ohio as a licensed clinical counselor for 16 years.
