

Doreen holds a Bachelor of Science from Colorado State University and an MBA in Health Care from American Sentinel University. She studied nursing at Geisinger School of Nursing in Danville, PA, and has been a Registered Nurse for 27 years. While at Geisinger Health System Doreen held various leadership roles overseeing care management, business operations, and population health initiatives. One of Doreen's initial projects in the Innovations department at Geisinger was integrating AMC Health Remote Patient Monitoring into the case management programs and medical home model. In her previous role as Senior Director of Clinical Outreach and Engagement at Capital Blue Cross, she focused on enhancing patient engagement and clinical outreach efforts for their members. Doreen currently serves as the Chief Clinical Officer at AMC Health, where she leads clinical strategies to improve patient care outcomes. Doreen enjoys spending time with her family, pets, and friends. Doreen also enjoys walks, tennis, and movie-watching. She enjoys spending time visiting Cape Cod, Massachusetts with her family.
