8-Lane and Small Pool Protocols Updated Dec. 10, 2020

- All pool times must be reserved under the segments, Adult Lap Swim, Independent Adult Exercise, or Family Swim.
- **Lap Swim**- Available for anyone ages 14 and older. A reservation has use of one (1) lane for 40-45 minute, dependent on reservation time. You may have more than one swimmer in a lane if they are from the same household. High school swim team athletes may not reserve lanes outside of their school practice times.
- **Independent Adult Exercise** – Eight (8) Adults will have access to the Small Pool. Adults must social distance during their workout. Reservations are 40-45-minute segments. You may only reserve one (1) segment a day.
- Lifeguards will use the time between reservations to clean and disinfect commonly used surfaces.
- Please do not enter the deck more than five (5) minutes prior to your reservation. This will allow time for the guard to sanitize. Always maintain 6 feet of distance from others.
- Please be courteous and exit the pool when your reservation ends.
- Equipment such as kickboards, water weights, water belts, fins, etc., will not be available. Please bring your own.
- Pool schedules are subject to change.

Family Swim

- Family Swim is available for households to swim together as a group in a defined space in the Small Pool. Households must be people who live together. The maximum household size for Family Swim is six (6). An adult must be present with the household.
- Each household must make an advanced reservation. Reservations are limited to just four household groups per Family Swim time.
- One person from the Household should make a reservation for the household group.
- Household groups must maintain 6 feet of distance from all other groups in the locker rooms, on the pool deck and in the water.
