

DARE TO DONATE FUNDRAUSER

To participate in this fundraiser we are asking friends, family and staff to make a small donation of at least \$5 (more would be greatly appreciated)! As we hit each of these milestones, your donation grants you access to videos of each of these dares and challenges being performed by members of the ASB senior class! The more donations we fundraise, the more dares and challenges will get preformed!

**ABOUT:
LARKIN STREET
YOUTH SERVICES**

mission:

"We aim to end youth homelessness by making it rare, brief, and a one-time thing. We create a continuum of services that inspires youth to move beyond the street. We nurture potential, promote dignity and support bold steps by all"

They work directly in the San Francisco Bay Area to end youth homelessness. Unfortunately, African-Americans are dramatically more likely to become homeless and stay homeless not only in the bay area but nationwide. This is due to the systemic racism that we witness day to day, largely leading to a disproportionate amount of African-Americans falling into the cycle of poverty. Larkin Street Youth provides educational services, housing, and employment to end this cycle of homelessness and create a pathway out of poverty

What \$300 will fundraise

A \$150 donation to Larkin Street Youth Services would provide **50 free face masks** to young people, as well as **10 days worth of groceries** to one young person within their programs.

The remaining \$150 would go directly to the Sequoia High School Class of 2021 to continue funding senior activities.

How to donate:

Venmo: @olivia-meak or @alyssa-knopf
when it says "what it's for?" please include
"Senior Class Fundraiser"

Can't make a cash donation? Other ways of donating to Larkin Street Youth Services

Email volunteer@larkinstreetyouth.org to schedule a drop-off of gently used clothes, backpacks, tablets, laptops, hygienic supplies, headphones etc.
