2026-2027 Irving Recreation Center After-School Recreation Information

Monday–Friday | 3:00 PM – 5:30 PM

Open to All Irving Middle School Students!

Lincoln Parks and Recreation has been serving Irving Middle School families after school since 1977. Our facility is located at door 7 on the west end of the school. Much has changed in the past 48 years, and we believe supervised, safe, fun, and meaningful after school activities are as important as ever for middle school students. Some students visit the rec. center simply because they need a place to go after school; however, our staff is intentional about making the center "more than just a place to go." After school staff does this by focusing on a positive **environment**, supportive **relationships**, and constructive **programs**
