

COVID-19 RELIEF PACKAGE

We know this has been a difficult time for all and want to do our part to help provide you with better tools to handle working together while apart and at the same time help you lower your telecommunication costs! Not only do you get “best in class” features and service to keep you connected, you will also get two months free* telecommunications service.

- Anywhere, any Network, any Device
- Make & Receive Business Calls on All Devices – easy to move from office to home if required
- Calls to the business number - can ring on all devices (Smartphone, Deskphone, Desktop Applications, etc.)
- Calls from personal cell phone deliver business number identification
- Move Calls between devices seamlessly
- Integrated User Experience with UC-One Apps for all platforms enabled seamless remote working (Meetings, Messaging, Conference Calling)

Contracts signed for telecommunication services before 09/30/2020 qualify for TWO months of free service after activation

- *Discount applies to Monthly Recurring Charges (MRC) only for telecommunication services (EX: Hosted PBX, SIP/PRI, UC-One, business lines, FAX, etc.) – 36 month contract required

For more information contact: Wes Howard – whoward@peacecom.net or call: 615-690-4760
