## **Mid-Term Exams for High School - December 18-21**

High School Semester Exams and Middle School End of Semester Tests will be December 18-21. Please make sure to review the Exam Guidelines located on the SCS website. An important item to note is the schedule of testing will now be in order of class periods instead of individual core subjects, therefore, students do not need to be on campus for class periods not requiring an exam. Monitored study halls for Middle School and High School will be available for students on campus who are not in an exam. Study hall locations are posted on the grade bulletin boards.
