

Parents, Caregivers, and Teachers are Invited to Attend

# Preschool Inclusion and Kindergarten Readiness

## *Best Practices for Great Outcomes*

### What are the education options for preschoolers with disabilities and how can families help prepare their children for kindergarten?

Come and learn what the law provides for early learners as well as how to participate in decision-making for your child's education!

Participants in this training will explore:

- The definition of preschool inclusion
- Legal requirements for considering placement options, including the classroom or program children would attend if they did not have a disability
- What children learn at different ages
- Getting ready for kindergarten
- What to look for in a quality classroom
- Tools for planning for inclusion
- Tools to share information about your child with the school team
- Strategies for effective family participation in meetings

Everyone will leave with tools and strategies they can use to increase inclusive opportunities and improve outcomes for ALL learners.
