Dear Scottsdale Prep Families,

This week, we have much to celebrate, with the conclusion of a very successful production of *Alice in Wonderland* by our Middle School Drama Club, and the ongoing successes of our winter sports in GH Middle School League and AIA playoffs. Saturday's High School Winter Formal was a beautiful evening, due to the collaboration of the high school social committee and PSO. Thank you to PSO Committee Lead Mrs. Laurie Langford for her amazing work at the event!

We have been delighted to host our incoming class of Archway 5th Grade students for a shadow day on our campus this entire week. We are working diligently this spring to create new structures and orientation that will support this wonderful new class of 6th Graders in the fall of 2019-2020.

As we move into the final weeks of tax season, we appreciate your support of our Tax Credit drive, which will culminate on April 15th. We are moving steadily towards our goal, and we need your help! Be a part of earning the win for your child's grade level by committing your tax credit to support our wonderful extra-curricular programs, and consider asking others to get involved – neighbors, family members, business colleagues. We look forward to reaching our goal and celebrating this success with a TC +1 Day this spring!

Best wishes, and Go Spartans!
