- One Drop-Off/Pick-up Location for Shared Families!
 - All Scottsdale Prep students with younger Archway siblings are strongly encouraged to utilize the pedestrian walkways and crosswalks ([map here](#)) for one drop-off and pick-up at ACS each day.
 - Scottsdale Prep students who plan to avail themselves of an ACS drop-off/pick-up will be asked to submit information to the Scottsdale Prep front office during the first week of school. This information will be shared with Archway Scottsdale for better support during pick-up and drop-off times on their campus.
 - On half-days, any SPA middle school students will be dismissed from study hall at 12:20 p.m. if they have a signed form on file indicating that they are utilizing the one drop-off/pick-up option at ACS. The form will be made available in the first week of school.
